Reference: Paradigm Consultants, Inc. Reference

To Whom It May Concern:

Paradigm Consultants has provided geotechnical engineering and construction materials testing services for Conroe ISD since 1995 when they started in business. Prior to that time Brent Lapsley was our main contact for his previous employer. I believe that my experience with Mr. Lapsley and Paradigm Consultants allows me to provide this recommendation letter.

Paradigm has provided geotechnical engineering services for numerous Conroe ISD projects including the following projects.

- Woodlands High School on FM242
- Woodlands Junior High School
- Flex School #5
- South District Stadium
- Conroe Flex School
- Hauke Alternative High School
- The Woodlands Flex School
- Conroe High School Additions

I am sure you will find Paradigm Consultants a very capable and responsive firm that provides quality services in a timely manner. Please call me if you have any questions.

Sincerely,

Bobby Burns  
Conroe Independent School District
