FOR IMMEDIATE RELEASE
9AM CDT, Date October 16, 2006

Houston, Texas – Justin Gordy of Paradigm Consultants has been honored with the "Dalton E. Hamilton Memorial Certified Welding Inspector of The Year" award. The award is given annually by the Houston Section of the American Welding Society (AWS) for outstanding achievement in the science, technology and application of welding. Gordy is the second Paradigm employee in to receive this award.

Paradigm Consultants, Inc. is a Houston-based firm providing our public and private clients with professional geotechnical engineering, construction materials testing services and environmental engineering services. Paradigm's laboratories are A2LA accredited facilities. In 2005 the firm was named the Port of Houston Authority's Small Business of the Year.

The Power of Paradigm
